

## Friends Reunited

Mike Nettley and his 1988 Fiat Uno Selecta, (which has covered a total of only 28000 miles from new) were recently reunited with the car's original owner on her 89th birthday.

She had owned the car from new and did 22000 miles in 22 years but unfortunately had to sell the car when she had to go into a home and her son sold the car to Mike in 2010. Mike had promised to cherish it and keep in touch with her, which he has done by sending copies of the occasional magazines that have featured it. They met again recently in High Wycombe for her birthday celebration and to

reacquaint her with her old car. She was very pleased that the car was still being well cared for and appreciated.

Mike's second Uno Selecta (the blue one above) will be on the Fiat Club stand at the Classic Car Show at the NEC in November.
